Tidbits From Your Board

Trash Pickup—

Trash day is on Wednesday each week (it is not typically delayed by the holidays). Per the Rules and Regulations, you may put your trash out after 7pm the night before. **Do not put your trash out on any other day!!** We will charge you to remove it from the common area. Your trash cans must be retrieved with in 24 hours, so they must be picked up by Thursday morning. If they are still outside by Thursday afternoon, we will gather them up. If you don't request them back within 2 weeks, we do throw them away. If you put your trash out late and it isn't picked up, just bring it in and wait until next week.

Remember also, your trash cans **MUST** be stored in your backyard or garage at all other times and must be labeled with the homeowner's address. If you put your trash out in plastic bags, please make sure they are of sufficient strength and are sealed to prevent blowing.

If you have large items, you must call the trash company to make arrangements with them for disposal—AllBright Sanitation at 303-688-8780. They will not pick them up if you don't talk to them first. As of July 1, 2013, Colorado residents will no longer be able to throw old or unwanted electronics, known as e-waste, in the trash. While phones can still be thrown away, prohibited items include television sets, laptops, tablets, DVD players and video game consoles. **DO NOT PUT THESE ITEMS**

OUT IN THE TRASH.

If you have any questions about a trash item, please call our trash company and confirm if they are able to take it.

Driveways —

The landscaping maintenance of the driveway areas is the responsibility of the homeowner/resident. You must keep the areas well maintained as well as all weeds removed. If you pull them and spray them, it will inhibit continued growth. The middle area is the responsibility of both homeowners so please coordinate with your neighbor to maintain that area.

Allowed Vehicles —

Please remember that you may not park trailers, recreational vehicles, commercial vehicles over 3/4 ton in your driveway or in our parking lots. Please do not park in the fire lanes (not even hang over a little) or you can be immediately towed. Please do not park so that you block each others driveways! Any cars parked on Town & Country property including your parking spaces or driveways must have current plates (permanent plates get a 30 day grace period from expiration date and temp tags have no grace period.). They must be road legal and must operate under their own power. They must move every 14 days or they can be tagged to tow. Motorcycles maybe parked in your reserved space but may NOT be parked in a guest spot overnight. It can be towed. Vehicle repair and maintenance may not be conducted in our parking lots or in your driveway. You may maintain your vehicle in

your enclosed garage. If your vehicle leaks any motor fluid, it must be removed from the parking lot or your driveway or repaired immediately. Be considerate of your neighbors.

Pet Rules —

Please remember you must keep your dogs on a leash at all times you and your pet are out in our community and you are required to clean up after your dog immediately. Your pet may not be tethered on common area or in your yard and allowed to roam on common area. You must keep your backyard clean and free from feces and urine smell. Remember on these hot days, your neighbors don't want to have to smell noxious odors. When you clean up after your pet, please keep droppings in a sealed container until you dispose of it. Any violation is subject to a \$75 fine per pet, per violation. Please do not allow your cat/s to run loose. It's not fair to your neighbors or safe for your cat/s. Per our rules, you are limited to a max of 3 pets.

Fence Project—

Just an update on the fence project. We will complete the last half of the property this summer. Do not forget the inside of the fence is yours to maintain and seal. You must put a water-resistant sealant on the inside to continue the protection so our fences will last longer.

Annual Board Meeting—

Our Annual Board Meeting will be held July 17, 2014 at the Parker Senior Center. You will receive the new budget in the mail shortly as was voted into effect by the Board of Directors. At this meeting, we will be electing 2 board members. The openings to be elected are held by Jim Whitis and Britain Weise. Both current members will be running for re-election. If you are interested in running for the board, please notify Laura in the HOA office.

If you do not plan on attending this meeting, please send in your proxy to the office so your voice can be heard. If you have questions, please feel free to talk to one of the current board members or Laura in the HOA office.

Policies and Procedures —

Please make sure to go to the HOA website to review our Policies as required by law and approved by the Board. One of the newest policies is a Leasing, Rental and Tenant Screening Policy. Those of you who rent out your units please review this policy and make sure the proper steps are taken and the information is submitted to the HOA office as required.

Fireworks —

With the 4th of July approaching, please remember that NO FIREWORKS may be set off, fired or discharged within our community.

Air Conditioners—

Please remember window mounted air conditioners are NOT allowed in our community. Indoor air conditioners should not extend beyond the screen and the screen must be in place. You can and will be fined for a window unit which extends beyond the screen.

Our Community—

This is your community! Please take pride in your community and help us keep it clean and safe for our residents. We have completely reroofed and repainted all our buildings. We are working on refreshing the rock beds and will continue with other small projects throughout the summer. Keep your area clean and trash free. Thanks for your attention to these matters.
