

STORM/SECURITY DOORS

Approved **BLACK** or **WHITE** storm doors are allowed. Approved **BLACK** or **WHITE** security doors are allowed. Doors must meet the written criteria of the ARC and be approved by the ARC in writing prior to installation. The Architectural Review Committee must approve the style of the door and a picture must be provided with the Residential Improvement Application. Any damage to the door frame or other structure becomes the liability of the homeowner. (*Article 5, Section 5.2 of the Declaration of Covenants, Conditions and Restrictions.*)

Please NO screen doors (Definition: A door where more than half the door is screen and there is no moveable glass or insertable glass to cover screen during colder months.)

See examples below:
